Week One of Fall Term
is an AST-wide opportunity to
get to know one another,
get oriented to the School,
and to begin the academic year
as a community.
It is not merely orientation.

New students will learn a great
deal about life together at AST.
Those who know AST well
have an important ministry in
welcoming those who are new.

All who attend *Week One*
build friendships and
acquaintances that will
strengthen the academic
experience of the year ahead.

Enjoy, learn, and have fun!

**For assistance on site,
please speak to a
Week One Ambassador.**
